ZM600

The ZM600 combines ease of use with enhanced productivity and a rich set of options, in a 6-inch wide format.

ZEBRA 2824

With its competitive electronic platform, the Zebra 2824 delivers high quality barcode label printing at 3.5 inches per second and supports a range of options and accessories for flexible printing solutions

The Zebra P120i features dual-sided card printing at an affordable price! The Zebra P120i is ideal for all standard ID card applications, including access control, membership and loyalty cards, staff and student identification plus gift cards. With the dual-sided printing configuration crowded card designs are a thing of the past - move barcodes, signature panels and more to the back of the card, freeing up space for enlarged graphics and more content. With a 300 dpi resolution and handy USB interface, the Zebra P120i is highly productive and highly cost-effective.

P120i

Get the benefits and value associated with Zebra with the MZ220 economical receipt printer. Each 2" width MZ220 printer can be a smart assistant for any mobile receipt printing application where you need quick, simple receipts on demand. Use 802.11g, Bluetooth, IrDA or USB to connect to a handheld or smart phone device and produce crisp, clear receipts!
